# PRODUCT LEAD TIME

## **HOLLOWMETAL**

Hollow metal door frames allow the use of popular commercial and residential doors. Available in both non-kerf (traditional) and kerf styles for non-rated and fire rated openings. Frames are available with a top of the line factory Color. You can also choose from one of Dunbarton's many standard colors or select a custom color of your choice.

## **REDIFRAME & NON-KERF REDIFRAME**

RediFrame's unique, strong as the wall design is available in fixed and adjustable designs. RediFrame is available with a top of the line factory refinish. Choose from one of Dunbarton's many standard colors or select a custom color of your choice. Prefinish frames are installed after the walls are finished, thus reducing installation time and repairs.

## **REDIFLEX KERF**

RediFlex's unique, strong as the wall design is available in adjustable designs and with kerf configuration for inserting weather-stripping. RediFrame is available with a top of the line factory prefinish. Choose from one of Dunbarton's many standard colors or select a custom color of your choice. Prefinish frames are installs after the walls are finished, thus reducing installation time and repairs.

## **REDIFIT**

Redi-Fit™ engineered door frame features precise corners and a unique preview slot for easy wood casing alignment. Kerf frame with factory installed weather-stripping available as well as non-kerf (standard) frames. Door and Frame available with a factory prefinish in any color to save time, labor and money. Installation is as easy as tilt, fasten and trim.

## **SLIMFOLD**

For Bifold Closet Doors, SlimFold designs are timeless, and today's steel bifolds are constructed of high quality steel and are offered in innovative yet timeless designs that blend beauty, form, function with any décor. SlimFold doors are available with a top of the line factory prefinish. Save time and money with a strong long lasting prefinished frame. Choose from one of Dunbarton's many standard colors or select a custom color of your choice.

Beautiful mirror doors that expand a room and add function to any wardrobe, laundry or pantry area. Choose from bifold and bypass styles, plus two unique overlay doors to cover irregular openings. All mirrors have laminated backing to conform to the highest safety standards.
